

CALISTA LUXURY RESORT

CALISTA LEGEND

In Greek mythology, Calista is a young woman of rare beauty. Being so proud of her beauty, all she desires is to improve it. Eventually, she achieved what she craved for and possessed a physical beauty that even the Goddesses envied. In order to enhance her mesmerizing looks, she decided to improve her soul too and dedicated herself to performing good deeds. Thus her combined inner and outer beauty became so overwhelming that she achieved immortality. From this time the name Calista is the synonym for the radiation of inner and outer beauty, the goddess of beauty herself.

Calista,
The perfect beauty...
The Goddess of Beauty...
